

FOOD SERVICES MANAGEMENT

Kindergarten through 12th grade must take three of the five items on the menu.

EVERY STUDENT MUST TAKE A CARTON OF APPROVED BEVERAGE. If he or she does not wish to drink the milk, it may be given to a friend. Otherwise, return the milk to the kitchen. The above regulations are set up by the State and National School Lunch Program.

No food or milk will be taken from the lunch room. Extra milk will be .25 for student and adults.

As is the custom at Arickaree, everyone dips his own food and when finished, will sort his own silverware and scrape and stack his tray in the kitchen.

Students and adults alike will abide by the above rules.
