

COCURRICULAR AND EXTRACURRICULAR PROGRAMS

ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES:

A student will be eligible to participate in extracurricular activities as long as he does not place himself under one of the following conditions:

1. A student failing in one or more subjects, or is failing in one subject with a “D” in one or more subject.
2. If a student creates a discipline problem in a class with which the teacher cannot cope, the student will be sent to the office. When a student is sent to the office, he will: (a) be placed on the warning list, or (b) automatically be ineligible immediately for one week excluding Sundays, or (c) suspended.

The office will keep a record of the number of times a student is sent to the office each semester.

Eligibility lists are due in the office by 8:00 A.M. Friday of each week. Any student on the ineligible list will not be permitted to participate in any extra-curricular activities for the week indicated on the list. Eligibility will be based on accumulative grade averages.

PARTICIPATION IN ACTIVITIES:

Any student who is absent from school on the day of an evening activity shall not participate in the activity.

Any student who is absent from school on the day prior to an activity held on a non-school day shall not participate in that activity.

Any exceptions to the above must be approved by the sponsor in charge and the administration. Most exception will be based on advance permission.
