

STUDENT SCHEDULES AND COURSE LOADS

COURSE LOAD:

Each student must carry at least seven Carnegie units of credit.

SCHEDULE CHANGES:

Most classes offered at Arickaree School are full year courses. There are some semester courses. Students that register for a class in the fall will remain in that class, after the first week of the first semester, for the remainder of the school year.

Any schedule changes necessary during the first week of the first semester may be made without loss of credit.
