

The Arickaree administration, staff, and students would like to invite our community members to participate in a Thanksgiving meal. Due to COVID-19 restrictions, we are not able to host any guests, but would love the opportunity to give back.

We would like to provide a Thanksgiving meal Tuesday, November 24th, 2020. We will offer a school pickup location, delivery to Anton or Cope and for those who are not able to meet us; we will provide a door step delivery.

Please help us to get the word out to everyone by sharing with your loved ones. Anyone wishing to participate, please call Marsha Jesse at 970-383-2202 ext 101 by Monday, November 23rd to let her know how many meals as well as if you will pick up, what location, or if you need a doorstep delivery.

Thank you for your help!
