Folder for First PD day – Using with all staff – summarized.

Audience Comments:

Scott Strom from Iconenergy – Best Grant – only way to move forward. DOLA grant as a match. December will know match for BEST for this year. Can ask for a waiver. Greg Etl – DOLA Rep. January want to be able to set up modular for summer construction. There will need to be an asbestos abatement which is not part of this proposal from Iconenergy – the cost would be on the district. Discuss and respond with answer in November. Plan on priority list of projects.

Superintendent's Report:

Will McFadden- DAC – Advisory work, trainings for ELL students on line trainings, November 12 post-secondary eligibility and help students to improve. College tours – 9-12 grades went to NJC and LCCC – students enjoyed them. November 3rd we will take them to NW Tech in Goodland KS. FASFA and Scholarships night was a success.

Joe Jefferson- Athletic Director – Working with Jamie Mack at Garretson's for new uniforms for Junior High. Checked numbers of uniforms we have and needed for each sport – asking coaches for input about the styles of uniforms. Basketball coaches meeting to discuss practices. League meeting today – alternate practices? Use both gyms ask coaches working on it. Football scheduling for next year is December 20th. Teaching experience is going very good. Lessons are good, have been impressed with student's willingness to learn. Reading music and listening is most important part.

Lisa – CASB policy review – responded and we are missing quite a few policies. Will bring this to you in November. Board members retiring- Brian Axtell and Jason Page – THANK YOU for your time serving on the board. Do you have any parting wisdom for us and the new board members? Gave them gifts of jacket and plaque. They both said call us if you need anything – happy to help always.
