helped them along the way, and the mentors assigned to each to help with day to day classroom. The Culturize Book has been great resource. The tuition reimbursement from CDE was very helpful.

Lisa- Kudos to all – the pathways are different more innovative pathways – Push back to CDE for the Read Act – more red tape – more classes credits required. We take care of our people.

Arickaree is a great place – Lisa helps grow them – pushes for success.

Name plate s- to help people know each of your names. Unity been great-keep it going.

### **Superintendent's Report:**

Meeting in Limon – CASE – here us to staff, CDE hurdles, launching innovative thinks towards staffing, like our Science arena. Help with certification/mentoring. Asked – how did we do it with two school schedules. CASE may want to reach out and explore different avenues. Great with the kids. What pathway for placing teachers. Interview went great with the science teacher candidate yesterday; Kandi Schott was in attendance. The idea of continuing the mentorship appeals to her. The candidate will have her certification in August very solid. Teaching currently in Rifle. Salary increase for next year, other schools saying 5-9% increase.

FSA – Federal increase in January was 4.61% For next meeting please run 5%, 7%, and 9% increase to review. Lisa is hoping to have all hiring completed by April.

### **Athletic Director's Report Joe Jefferson:**

Kiowa's game – weather changed to Saturday at 1:00 with Little Dribblers. Miami Yoder good, post season – Bracket is up. We should have good seeding after Saturday- District in Brush with 25 championship games – then regionals next week. Track schedule is up, may have changes still. Next AD meeting is when we set up the next years schedules. After some conversations with Lisa, Joe has decided that the Athletic Director position may be time to give up, with college classes and teaching it may be too much to have on his plate. Joe appreciates the opportunity to do this position – had great support and all were a huge help. Special thanks to Lisa and Jesse.
